Guardian Responsibility Commitment

Mesa Association of Sports for the Disabled, the City of Mesa Adaptive Sports Program, and Mesa Public Schools work hard to provide quality programs in a safe environment. It is the guardian's responsibility to ensure the following commitments are kept. If we all do our part, the athletes will have an optimal experience.

- ◆ **Registration** - Complete and turn in all registration materials to the Mesa Parks and Recreation Office before the first day of practice. All athletes must have a completed waiver on file with the Mesa Parks and Recreation Office before the start of the first practice. All forms can be found online at www.mesadisabledsports.com or by calling 480-644-4948.
- ◆ **Physicals** - The City of Mesa's Adaptive Sports Program must have a **current** Arizona Special Olympics physical on file for each athlete by the first day of practice. Physicals are good for 3 years. To obtain a new physical or to find out if your physical is current, please call the Parks office. **Keep a copy for your own records and track the expiration date.**
- ◆ **Attendance** - An athlete must attend **80% of the scheduled practices** to be eligible to participate at competitions. To be eligible for state competition, athletes must compete in the area competition of that season. An athlete may participate in as many sports as desired but must choose one to compete in during each State tournament.
- ◆ **Transportation** - Athletes must arrive and be picked up on time from practices and competitions. Any abuse of this policy could result in a suspension of the athlete from the program. Please note, coaches are not responsible for transporting athletes.
- ◆ **Behavior** - The Mesa staff are trained and qualified to handle a variety of difficult situations and behaviors. However, if an athlete's negative behavior increases to the point at which the overall program is affected or others are at harm, the program staff reserve the right to suspend the athlete or to ask any provider, including parents, group home staff, or respite workers, to assist in the behavior management of the athlete or facilitation of the activity. Please inform us of any specific techniques that will help us work with the athlete better.
- ◆ **Ratio** - Also, the program does not provide one-on-one instruction. If an athlete needs a smaller ratio, it is the guardian's responsibility to provide a one-on-one assistant.
